President's Message

Lou Piano

March is upon us and it's time to start trip-pin'....well, go on trips anyway. Saturday & Sunday the 12th & 13th will take us on a new adventure to the Blossom Trail. This ride will bring us past the 'blooming' season for the fruit and nut trees and there will be time to walk through some old historic towns. Don't miss this one.

March 19th the road captain will drag us to points of interest in the city of Los Angeles. Remember the ride to Watts Towers? That was an interesting event and the lunch afterwards was one I'll never forget. Who knows what surprise this ride will have.

Check out the website for more upcoming rides.

Kudos to Jerry Stern for getting us up on the "Meet-Up" website. Go to Meetup.com. Once there go to the search box and type in Harley. We are currently at the top of the first page. Read it and if you have any suggestions send them to Jerry.

There has been a lot of talk about HOG and the declining sales and concurrent stock price. Today it's at \$42.76 which is about \$4.00 bucks above it's price 5 years ago. I love my Harley and I know you do too. I believe it's just part of the ups and downs of business life and partly demographics. The motor company has good management and will continue to thrive even if at a lower pace.

Barger Harley sold and the new name will be "Top Rocker" Harley. I hope they keep most of the regular employees. They are smart, helpful, and know their business very well. It's always a pleasure to go there and do business with them, whether it's to buy parts, clothes or service. It will also be interesting to see what happens with their Hog Club. We'll be keeping an eye on them. Good luck to the new owners.

Ride a lot and ride safe Ed.

Super Bowl Party Draws 18; Nobody Leaves Hungary

The 50th Super Bowl football game on February 7, 2016 is now in the record books and so is the SCHRA party, attended this year by 17 members and/or guests. Our hosts this year, Jerry & Cindy Stern, did a wonderful job of arranging their family room to accommodate everybody.

The food this year was the usual combination of store-

bought as well as home-made and consisted of croissant sandwiches, chicken wings, cocktail wieners, devilled eggs, raw veggies, guacamole & chips plus various nuts and chocolate covered candies and desserts.

Although this year's selection of Super Bowl commercials did not seem all that entertaining, the two produced by the Doritos Company garnered the most laughs and appreciation.

The game itself was fun to watch, despite the fact that neither team was, relatively speaking, a west-coast team. The Denver Broncos did prevail, however, over the Carolina Panthers with a score of 24 - 10. The two "pool" winners were both named Judy (Judy Bruce & Ralphs lady-friend Judy) and shared a prize of about \$90.

Although our membership numbers are temporarily down somewhat, the fact that this event drew 18 people is rather remarkable and ongoing proof of the fact that our camaraderie continues as upbeat as ever.

Those present included: Jerry & Cindy, JB & Judy, Lou & Sharon, Mitch & Leslie, Richard, Bob, Stan, Joe-Bob & Caroline, Mike & Ruthann, Pauline and Ralph & Judy. The weather was an unexpected 80-degrees and made pool-side schmoozing during the half-time show most comfortable.

IN RESPONSE TO ALL RECENT E-MAILS ABOUT MY DOG:
PLEASE BE ADVISED, I AM SICK AND TIRED OF ANSWERING QUESTIONS ABOUT HIM. YES, HE BIT TWO PEOPLE WEARING BURKAS, TEN PEOPLE WEARING TURBANS, TWENTY PEOPLE WEARING JEREMY CORBYN T-SHIRTS, NINE TEENAGERS WITH PANTS HANGING PAST THEIR ASS CRACKS, THREE MUSLIMS AND A PAKISTANI TAXI DRIVER.
SO, FOR THE LAST TIME. . . THE DOG IS NOT FOR SALE!

SEX & Golf

Professor Higgins at the University of Sydney was giving a lecture on 'Involuntary Muscle Contraction' to the first year medical students.

This was not an exciting subject and the professor decided to lighten up the mood.

He pointed to a young woman in the front row and asked, 'Do you know what your asshole is doing while you're having an orgasm?'

She replied, 'Probably golfing with his buddies.'

Ole's walking home late through the park when he passes a woman in the shadows.

"Twenty dollars," she whispers.

He's never been with a hooker but figures, "vat da hell,

it's only twenty bucks."

They're going at it in the bushes when a light suddenly flashes. It's a police officer.

"What's going on here, people?"

"I'm makin' luff to my wife," Ole answers indignantly.

"Oh, sorry," says the cop. "I didn't know."

Ole replies. "I didn't either till you flashed dot damn light in her face."

FLASH - Stern Has A Temper !

Saturday 2/27, 10 of our members gathered in the parking lot at Ventura & Topanga in eager anticipation of riding to visit the Battleship Iowa in San Pedro, to be led by road captain J.B. During the pilot's meeting I picked the unfortunate moment to lose my temper at J.B. for something silly that I shouldn't have gotten so worked up over. Having decided they've seen enough battles for one day, everyone went off in their own direction, and subsequently there was no ride.

I've since offered apologies to J.B., and also apologize for screwing up everyone's ride. Hopefully I'll regain my composure and we can re-schedule the ride for a later date.
